

## Who is Applewood?

### **Quality and Value**

*Applewood Communications is a privately held company located in Central Virginia which offers turn-key communication solutions with all customer care, billing and technical support provided solely by Applewood personnel.*

*We have established ourselves in the communications industry after eight years of customer service and we are entirely located in the United States. We pride ourselves on great customer care, quality services at fantastic prices and a simple monthly invoice that can be paid either through a credit card or bank draft.*

*There are many providers out there, but very few have low rates, exceptional customer care, and cutting edge technological services. Our solutions empower the consumer with highly flexible and portable communication tools at extremely affordable prices.*

*If you are looking for a quality communications solution for your home or small office, then you have come to the right place!*

# Applewood Residential Services

## Applewood VOIP - a plan for everyone

Applewood is pleased to offer our reliable VOIP product — specifically designed to meet the needs of our residential customers with all the features you will need for one low price. A variety of different plans are available to simplify your life and save you money each and every month. We offer the best choice in local and long distance services — using your broadband internet — all on one simple bill. Experience what it is like to receive home phone service from a company that focuses on quality services and unsurpassed customer support.

**Applewood Lite:** Enjoy 1,500 minutes of local and long distance calls for only \$15.95 per month — with all features included.

**Applewood Residential:** Need more? The Applewood Standard Residential Plan may be what you need. For only \$22.95, you have 3,000 minutes to talk — plus all the features you could want.

**Applewood SOHO:** If you have a home office that needs more than a regular plan, but not a full blown business solution — this may be exactly what you are looking for! We offer 5,000 minutes with all the features that you need to run your business from home, as well as, an additional line to use for faxing, for only \$29.95 per month.

PLAN	Cost	Number of Talk Minutes	Features Included
Applewood Lite	\$15.95	1,500	ALL
Applewood Residential	\$22.95	3,000	ALL
Applewood SOHO	\$29.95	5,000	ALL plus a fax line

## Applewood Long Distance

For those of us who just want a good, standard, reasonably priced 1+ long distance solution, Applewood has it for you — residential or small home office.

Applewood offers a 1+ Long Distance Dialing plan for only **3.9** cents per minute for state-to-state calling with convenient electronic billing.

Call and talk to your family for as long as you like — without worries of a huge bill at the end of the month.

There is no monthly minimum. It does not matter if you make one long distance call per month or 1,000 calls per month — and it does not matter what time of day you call — you still pay the same low price. Want to make in-state calls — you will find those prices to still be some of the lowest in the marketplace today.

There are no special codes to dial — no contracts — just a simple solution for your long distance needs.

Need a **toll-free number** — Applewood has those for you as well — all at the same attractive pricing that you would expect from our company!

### **How about calling cards?**

Applewood offers both prepaid and postpaid phone cards — at fantastic rates. Our international rates are some of the most aggressively priced in the industry.

**Refer a friend or family member — or even a business associate — and it gets even cheaper!**

*Talk to your friends and family for as low as 3.9 cents per minute*

## Applewood Internet Access

Applewood has premier Internet services that provide monthly access to the Internet — keeping you connected to the world, local news, friends and family. With a choice of broadband, turbo dial-up or dial-up Internet solutions, you get the most out of your Internet experience without paying the high costs of other network providers.

When you choose Applewood for your Internet solution, you are never without help. Our toll-free technical support center, as well as, our on-line help site are ready to assist you with any of your Internet questions.

### **Benefits**

- Full access to the Internet and all its resources
- Fast web page loads and web surfing
- Send and receive e-mails with ease
- Easy installation for dial-up and some broadband solutions
- Technical support for ease of use and connectivity.
- For broadband subscribers, combine our broadband solution with our Applewood Talk product and you save even more.
